

Worcestershire Chapter

Upcoming Rides Schedule

Granted our Charter on 31st March 2021, we are attached as a Region to the Widows Sons National Chapter, and also have very close ties to the original West Midlands Chapter. Who have since divided into Staffordshire, Shropshire & Warwickshire, from whom the founder Members of Worcestershire originated. During the riding season we will aim to organise Chapter ride-outs during most summer months or suggest joining in other Chapters events. There is also a program of other non-masonic ride-outs that we, as a Chapter will attend and encourage participation in National events (eg the Ride to the Wall) or regional events such as the Ride4life. Things may be slower during the winter months; however get togethers and social gatherings (where permitted) will take place all year round, and the Widows Sons will try to make these events family affairs so that all members of the family can participate wherever possible. Members are expected to attend rides and events whenever they can and particularly the AGM and General Purposes meetings where the running of the association is discussed.
